

St. Benedict C.S.S.

Business

Program Overview

This program will offer multiple pathways to all 4 post-secondary destinations, be it the workplace, apprenticeship, college or university.

Students will have the opportunity to explore different areas of business such as Marketing, Entrepreneurship, Accounting, Business Leadership and Management, while gaining real-world experience.

Highlights

Depending on the courses selected, students will be exposed to a wide range of authentic experiences such as:

- *international field trips to
 destinations such as New York
 City, Chicago and Boston
 *engaging with entrepreneurs
 and other business people
 *participating in University
 Stock Market Competition
 *visiting post secondary
 institutions
 *taking part in real-world
- *taking part in real-world business simulations *certifications in a variety of business-related competencies

Student will:

- *complete a co-op placement in the field of business
- *complete six certifications recognized by the business sector *complete contextualized (business-related) units in math and English
- *develop problem-solving, teamwork, management and leadership skills in a business setting

The Business SHSM is an opportunity for students to participate in an experiential education program with a business focus. By engaging students, the Business Specialist High Skills Major will prepare students for life in a changing world.

Potential Co-op Placements:

- *Accounting Firms
- *Advertising Agencies
- *Not-for-Profit Sports
 Organizations
- *Sport, Marketing and Entertaining business
- *Industrial Sales Companies
- *Other opportunities subject to approval
